GERMAN RIESLING WITH 5 YEARS OF AGE (*aka checking in on the 2014ers*)

"2014 was made in the vineyard." – egon muller

We think most german dry rieslings start to hit their sweet spot at about 5 years. 2014 was a notoriously difficult vintage, but we saved/collected some of our favorites from that year. Super limited quantities on all of these, so treat yourself :)

FAKE CHAMPAGNE

VINYES SINGULARS, BRUT NATURE, CAVA, SPAIN 2016 MACABEU BLEND

cava is a minefield. most of it is industrially produced from chemically farmed wastelands and is really only useful for the endless mimosas of portland brunchland. but don't worry, we did the hard work of sifting through the swill in order to find the best affordable organic cava that we've ever tasted.

SALTY FRENCH OYSTER WHITE

STÉPHANE & VINCENT PERRAUD, MUSCADET, LOIRE VALLEY, FRANCE 2016

muscadet loves sea creatures. don't believe me? ask simon at sardinehead. he's french (but the good kind that you can trust)

– like a dirty vodka martini but with sea water instead of olive juice. and wet stones instead of vermouth. and lemon juice instead of vodka...

ISLAND RED (*for your burger*)

TENUTA LA FAVOLA 'FRAVOLATO' SICILY, ITALY 2016 FRAPPATO

– these affordable, humble wines from the east coast of sicily are a real treat. i especially appreciate the sentiments of corrado, the owner, who says that he's not trying to make the best, most expensive wines in the world, but just trying to make honest wines that convey the truth of his little piece of family land.

DECLASSIFIED CÔTES DU RHÔNE FOR EASY GUZZLING

JULIEN MUS 'JU DE VIE' FRANCE 2016 GRENACHE/MOURVÈDRE/MARSELAN
